Our Lady's Message of January 2009

“Dear Children! Also today I call you to prayer. May prayer be for you like the seed that you will put in my heart, which I will give over to my Son Jesus for you, for the salvation of your souls. I desire, little children, for each of you to fall in love with eternal life which is your future, and for all worldly things to be a help for you to draw you closer to God the Creator. I am with you for this long because you are on the wrong path. Only with my help, little children, you will open your eyes. There are many of those who, by living my messages, comprehend that they are on the way of holiness towards eternity. Thank you for having responded to my call.
